FLEXA

BLAZE FLEXA tripod work lights are the perfect lighting solution for any on-the-go task. With a quick set up tripod and easy to angle luminaires, the Flexa lights provides light precisely where you need it.

Whether camping under the stars or working on a mobile project, these water-resistant lights are compact and stow easily in their carry bag for reliable luminosity wherever life takes you.

More than just a light, each BLAZE FLEXA also features an integrated USB port, allowing you to charge mobile devices directly from the light. An included charger, cable and carry bag complete the package so you've got one-light solutions for work, play or adventure anytime, anywhere.
