

# ATLAS

## COMPACT LIGHT TOWER

Atlas is an innovative light tower that outperforms traditional diesel-driven units by offering superior, low-glare illumination with significantly reduced energy consumption and weight. Engineered for efficiency and mobility, Atlas delivers exceptional light coverage in a compact, transportable design.

### REDUCED GLARE

- ✓ Asymmetrical Lights minimising glare
- ✓ Drop Prevention System
- ✓ Minimal Maintenance
- ✓ 1200 watt System
- ✓ 7 meter Mast
